You are responsible for making your own investment decisions after having given due consideration to your own financial circumstances, investment experience and investment objectives and you should consult your own legal, tax, regulatory or accounting advisors as you believe necessary.

(b) Disclosure of Non-Quantifiable Monetary Benefits

In some cases, when we distribute to you investment products issued or transacted by any of our affiliates, we may not explicitly receive monetary benefits for doing so, but we or our affiliates will nevertheless benefit from the origination and distribution of the investment products¹¹. In other cases, we may receive monetary benefits in the form of fees, commissions, rebates or other form of remuneration for distributing to you investment products issued by any of our affiliates, which are not quantifiable at the point of sale.

With respect to mutual funds (not including money market funds), we will receive trailer /distribution fees from the relevant mutual fund as an ongoing commission throughout the term of your investment in such mutual fund. Trailer/distribution fees will be in an amount of up to 70% of the mutual fund's annual management fee or 1.00% of the mutual fund's NAV/AUM per annum of the value of your investment in the mutual fund and are paid to us by the relevant mutual fund periodically out of the management fees received by such mutual fund or out of the NAV/AUM of such mutual fund, in each case, as determined by the relevant mutual fund.

With respect to money market funds, we will receive trailer/distribution fees from the relevant money market fund as an ongoing commission throughout the term of your investment in such money market fund. Trailer/distribution fees will be in an amount of up to 0.4% of AUM per annum of the value of your investment in the money market fund or up to 50% of the money market fund's annual management fee. Trailer/distribution fees are paid to us periodically out of the management fees received by such money market fund or out of the NAV/AUM of such money market fund, as determined by the relevant money market fund.

¹¹ For example, where a Morgan Stanley affiliate is appointed (i) an underwriter or book runner for a placing or initial public offering of listed cash equities; or (ii) as placement agent for a bond offering, such Morgan Stanley affiliate may receive monetary benefits in the form of fees, commissions, or other remuneration in connection with that mandate.

(c) **Price Improvement**

Subject to Applicable Regulations, if, in the course of executing your order, we are able to obtain a better price than the order price quoted to you, and you have previously consented, we may (at our discretion) include some or all of the price improvement in our fees or mark-ups on the execution price, provided that such fees or mark-ups will at all times remain within the stated range disclosed herein as amended from time to time.

(d) **Not Independent**

We are NOT an independent intermediary because:

- (i) we receive fees, commissions, or other monetary benefits from other parties (which may include product issuers) in relation to our distribution of investment products to you. For details, you should refer to our disclosure on monetary benefits which we are required to deliver to you prior to or at the point of entering into any transaction in investment products; and/or
- (ii) we receive non-monetary benefits from other parties, or have close links or other legal or economic relationships with issuers of products that we may distribute to you.
