### **RISK TO INVESTORS**

For details refer to section titled "Risk Factors" on page 22 of the RHP

1. We do not manufacture any of the products sold in our stores, including our own brands: We do not manufacture any of the products that are sold in our stores, and we rely entirely on third party vendors for the manufacturing of all products under our own brands. The table below sets out our revenue from sale of products under own brands (across our three product categories) for the period/years indicated:

	Six months period ended September 30,						
		2024	2023				
Particulars	(₹ in million) (% of revenue from operations)		(₹ in million) (% of revenue from operations)				
Sale of products under own brands (across our three product categories)	36,665.57	72.86	30,197.83	71.57			

	Financial Year							
	20	24	20	2023		22		
Particulars	(₹ in million)	(% of revenue from operations)	(₹ in million)	(% of revenue from operations)	(₹ in million)	(% of revenue from operations)		
Sale of products under own brands (across our three product categories)	63,993.42	71.81	53,479.79	70.50	39,228.81	70.20		

2. <u>Dependency on third party manufacturers:</u> We outsource the manufacturing of all products under our own brands to third party vendors, primarily under non-exclusive contract manufacturing agreements. The table below sets forth details relating to our vendors for the six months period ended September 30, 2024 and 2023, and for the Financial Years 2024, 2023 and 2022:

Particulars	period	For the six months period ended September 30,		For the Financial Year		
	2024	2023	2024	2023	2022	
Number of vendors engaged to manufacture products under our own brands	781	769	839	861	786	
Total value of goods purchased under our own brands from three largest vendors by amounts incurred (₹ in millions)		1,355.77	2,803.09	3,012.66	2,427.96	

Our reliance on vendors subjects us to a variety of risks, including dependence on vendors for continuity of supply of products; changes in cost of acquisition of our products; ability to enter into new agreements or extend existing agreements with vendors on favourable terms; delays in production and added costs as a result of the time required for new vendors to undertake manufacturing; dependence on continuing operations of third-party manufacturing facilities; protection of our trade secrets and intellectual property rights; and adverse changes in the financial or business condition of our vendors. We rely entirely on our vendors to source raw materials to manufacture and supply products to us. Moreover, as we do not enter into long-term manufacturing agreements with our vendors, the cost of acquisition of our products from vendors is not fixed and may fluctuate due to fluctuations in prices of raw materials sourced by vendors to manufacture and supply products to us.

- 3. Our Company will not receive any proceeds from the Offer for Sale.
- 4. <u>Geographical concentration Risk:</u> We derive a significant portion of our revenues from sale of products from our stores located in Uttar Pradesh, Karnataka and Assam, which are the top three states in terms of revenue contribution to our business. The tables below set out our number of stores as of the period/ years ended and revenue contribution. during the period/ years as indicated below, in these three states:
