(1) The manager has voluntarily agreed to waive a portion of its fees and / or reimburse expenses. Absent of these waivers or reimbursements, the net returns would have been lower. Fee waivers and or reimbursements are voluntarily and the Manager reserves the right to terminate any waiver and / or reimbursement at any time.

(2) External credit ratings are solicited and paid for by the Manager of the Funds.

DEFINITIONS

Public Debt Constant Net Asset Value MMF - a Money Market Fund qualifying and authorised as a public debt constant net asset value money market fund in accordance with MMF Regulation which seeks to maintain a stable NAV and invests 99.5% of its assets in money market instruments issued or guaranteed by sovereign entities, reverse repurchase agreements secured with government debt and cash.

Low Volatility Net Asset Value MMF - a Money Market Fund qualifying and authorised as a LVNAV Money Market Fund in accordance with MMF Regulation which seeks to maintain a stable NAV under the condition that the stable NAV does not deviate from the Net Asset Value per Share by more than 20 basis points. In case of a deviation of more than 20 basis points between the stable NAV and the Net Asset Value per Share, the following redemption or issue of Shares shall be undertaken at a price that is equal to the Net Asset Value per Share.

Variable Net Asset Value MMF (Standard / Short Term) - a Money Market Fund qualifying and authorised as a VNAV Money Market Fund in accordance with MMF Regulation in which shares are issued or redeemed at a price that is equal to the Fund's Net Asset Value per Share.

IMPORTANT INFORMATION

The Funds are not a guaranteed investment and are different from an investment in deposits. The Funds do not rely on external support for guaranteeing the liquidity of the Funds or stabilising the NAV per share. The value of investments and the income from them may go down as well as up.

Applications for shares in the Funds should not be made without first consulting the current Prospectus, Key Investor Information Document ("KIID"), Annual Report and Semi-Annual Report ("Offering Documents"), or other documents available in your local jurisdiction which are available free of charge at the address below.

The material contained herein has not been based on a consideration of any individual client circumstances and is not investment advice, nor should it be construed in any way as tax, accounting, legal or regulatory advice. To that end, investors should seek independent legal and financial advice, including advice as to tax consequences, before making any investment decision.

Each Fund is authorised to invest up to 100% of its assets in Money Market Instruments issued or guaranteed separately or jointly by a Sovereign Entity and by any other member states of the OECD and their central authorities or central banks subject to certain conditions. Please see Prospectus for further details.
